**Maybe You Can't Go,
Here's How You Can Help**

Friendship International is committed to introducing children to the life changing person of Jesus Christ. We believe camp is one of the best places for the Lord to meet and touch the heart of a child.

Friendship International has been leading kids camps for almost 25 years. We have had the privilege of having children attend from many different churches, as well as orphanages, gypsy communities and hospitals for terminally ill children.

Through music, orphanage and camp ministries, evangelistic outreaches, seminar training, humanitarian relief and work projects, F.I. is committed to equip and train for the purpose of building up the body of Christ and the effective communication of the Gospel.

F.I. believes in developing an indigenous ministry in the countries where it ministers, by working alongside nationals and training them for continued ministry.
